INSURANCE COVER

It is important to insure your holiday, including travel, as we cannot refund any payments in the event of cancellation.

When you book your holiday you are entering into a legally binding contract. If you are forced to cancel or cut short your holiday, for whatever reason, you may be liable for cancellation charges we have to make (i.e. the balance outstanding on your booking).

Therefore we strongly recommend you take out insurance and include details of a suitable policy. Overseas visitors should arrange their own insurance.
