

Holy Week

Cara Riley, Alison Adam, Lesley Orr and Peter MacDonald

31.03.12 (9 nights)

When we take wrath and sacrifice out of the picture, how do we see Easter? The story of Jesus' death on the cross is central to Christianity. This walk, for all ages, through the events of Holy Week will explore why Jesus died and the transformational possibilities of his resurrection in our lives and in the world today.

Alison Adam, Lesley Orr and Cara Riley are Members of the Iona Community and along with island staff, will facilitate the programme. Mornings will consist of input, discussion, small groups and use of the creative arts and afternoons are left for free time. Worship will be intrinsic to our shared experience of the journey.
